

225 Coolidge Avenue – Contributing

This is a one-story, frame, gable front Craftsman dwelling built ca. 1935 and remodeled ca. 1985. The dwelling has a front gable roof of asphalt shingles, an original interior brick chimney, an exterior brick chimney and an exterior of aluminum siding. On the main (S) elevation is a partial-width, gable roof, porch with a patio extension supported by square wood posts and slightly arched solid wood openings. The dwelling retains its original, four-light Craftsman-style glass and wood door with an aluminum and screen door. Windows are replacement ca. 1985, single-light casement vinyl clad designs. Both the porch and dwelling have exaggerated knee brace brackets at the eaves. On the east façade is a gable roof projecting bay with a single window and knee brace brackets. On the rear façade, a large rear addition was constructed ca. 1985.

Located off the southwest corner of the dwelling is a ca. 1980, frame garage with an exterior of vinyl siding, a horizontal metal panel overhead track door and a front gable roof of asphalt shingles. – **Noncontributing**
